Callout: Click here.

- Before registering for courses, you are kindly asked to review the course registration instructions provided by the relevant college/division. You can find the menu on the left side of the screen.
- When log in fails, [how to change Internet Explorer setting](#)
- For optimal viewing in the course registration system, use Internet Explorer version 8.0 or later and a screen resolution of 1024\*768 pixels.
- You can register for courses restricted by certain departments during the course change period (Add/Drop period) in the first week of the semester. (March or September)
- The College of Life and Environmental Sciences and the College of Life Sciences and Biotechnology have been merged into the College of Life Sciences and Biotechnology since March 2006. Undergraduate students admitted to either college should register for courses offered by the College of Life Sciences and Biotechnology.
- Password** : New students/non-KU students: Input the last 7 digits of your resident registration number.  
KU portal users: Input your KUPID Password.  
Non-KU portal users: Input your existing intranet password.
- Student number for non-Korea University student  
If you are a non-Korea University student (undergraduate only), please refer to Korea University Home page->academic exchange->domestic student exchange site for your student number at Korea University.
- If you have forgotten your password** , you may find your password at the log-in page of KU portal (<http://portal.korea.ac.kr>) site. Use the 'PW inquiry' button.
