

PROGRAMS IN ENGLISH

Bachelor degree:

Code	Speciality	Program	Exams
19.03.01	Biotechnology	Molecular Biotechnology	English, Chemistry, Biology
41.03.05	International Relations	International Relations	English, Geography

Specialist degree:

Code	Speciality	Program	Exams
31.05.01	General Medicine	General Medicine	English, Chemistry, Biology

Master degree:

Code	Speciality	Program
03.04.02	Physics	Integrative Sciences and Engineering (Applied Physics)
04.04.01	Chemistry	Chemical Engineering
05.04.06	Ecology and Management of Natural Resources	Biological and Medical Sciences (Environmental Toxicology)
06.04.01	Biology	Molecular and Cell Biology
		Aquatic Biological Research
		Biological and Medical Sciences (Virology)
08.04.01	Construction	Offshore and Coastal Engineering
09.04.01	Computer Science	Cyber Security
		Machine Learning and Artificial Intelligence
11.04.03	Design Engineering and Electronic Instrument Technology	Small Satellite Technologies for Earth Observation
19.04.01	Biotechnology	Agri-Food Biotechnology
		Molecular Biothechnology
22.04.01	Material Technology Science	Integrative Sciences and Engineering

32.04.01	Public Health Service	Improving Healthcare Outcomes in Chronic Diseases
38.04.02	Management	International Management
		International Business and Project Management
40.04.01	Law	Russian Business and Investment Law (part-time)
41.04.05	International Relations	Russia in the Asia-Pacific
		Politics and Economics in Eurasia
43.04.02	Tourism	International Tourism and Hospitality
