Incoming Erasmus Students
Semester: Fall 2019**

Guidelines for selecting courses:

1. Bachelor Students can only select Bachelor courses and Master students can only select Master courses. In case you are not sure about the level then please contact the UNIC Erasmus Office prior filling in your LA.
2. The minimum number of ECTS you can select is 15 and the maximum is 30 ECTS per semester. No exceptions will be made.
3. Make sure that there are no timetable clashes between the selected courses.
4. Be careful of the language of instruction and the prerequisites.
5. The selected courses must be relevant to your programme of studies at your home university.
6. If a course is offered more than once, students must **specify the section** (time slot) they prefer in their LA.
7. Students interested in English Language Courses such as BENG-, ENGL-, COMM-200, BADM-231 shall take the English Placement Test first and then they will be allocated to groups according to the results.
