

Mahidol University International College

HOUSING GUIDE FOR INCOMING STUDENT

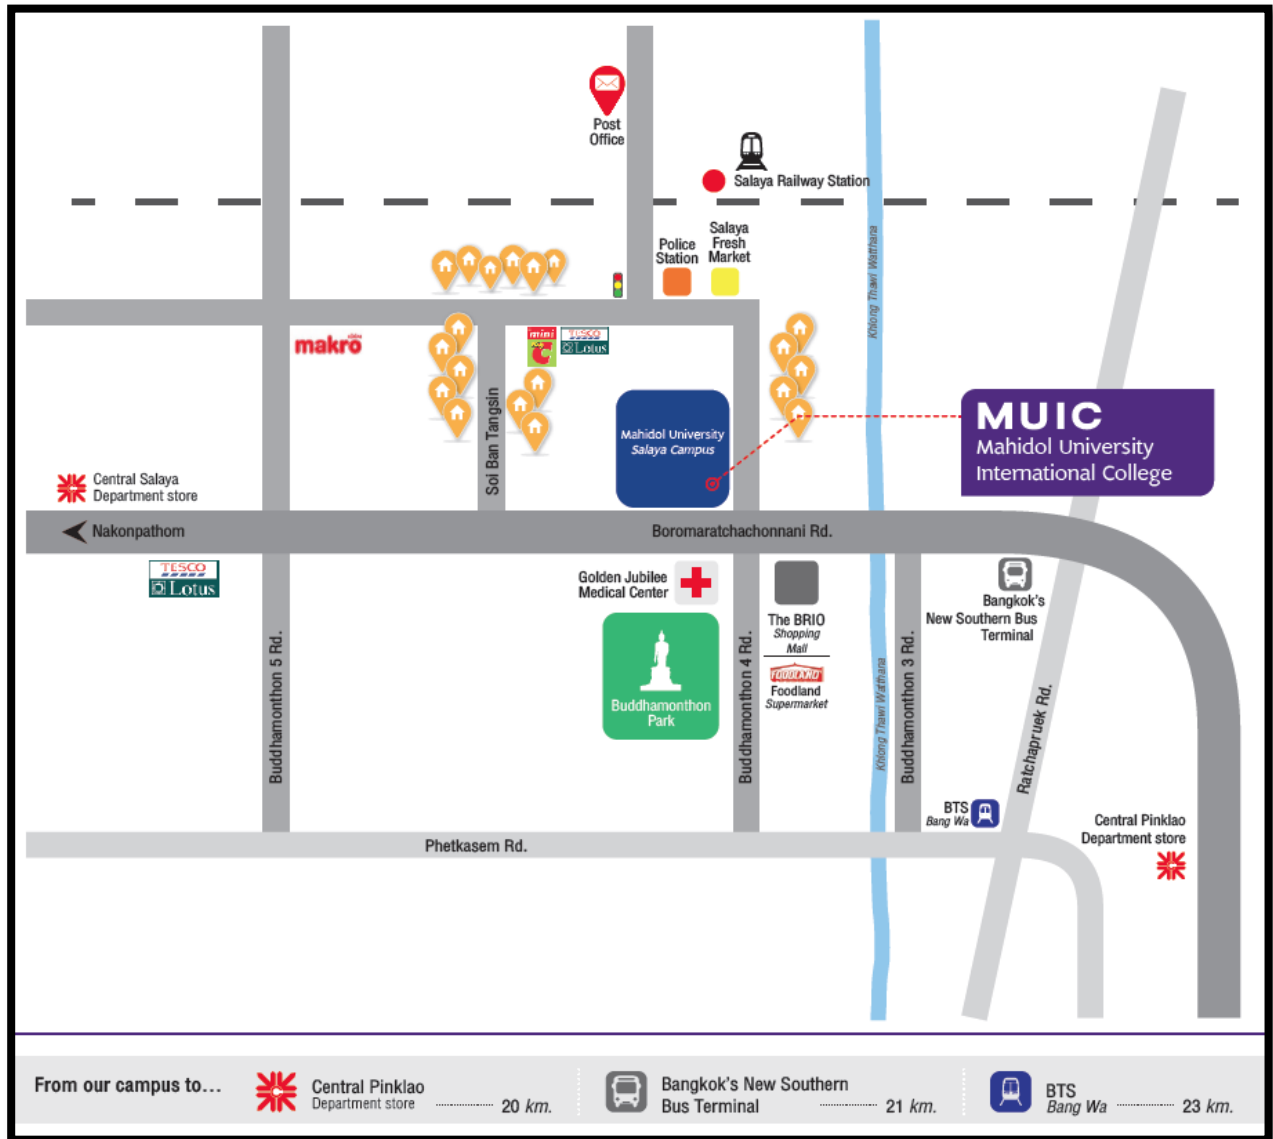

As an exchange & visiting student you may live on off – campus housing. Students are strongly encouraged to arrange for their accommodation before leaving their home country. The average cost is approximately 5,800 – 12,500 Baht per month and close to the university. You may find list of private apartments in Salaya area where most of our incoming students stay during their study at MUIC.

Here are a few things to note about off – campus housing:

- Cooking is not allowed and there is no pantry at all of the apartments nearby Salaya campus.
- Students may find convenience shop such as 7eleven and Big C supper market nearby the apartments.
- Student may find fresh cooking food opposite the campus and at Salaya market (Yellow Market).
- The room can be share for two persons. Living with roommates can lower your cost.

LOCATION

Private housing and serviced apartment areas

Most of the private housing and serviced apartment providers recommended to students during the application process are conveniently located nearby the campus and surrounded by a variety of street foods and local restaurants.
