[Note]
Course Offerings are subject to change
In principle, lecture and corresponding practice courses must be taken in the same term when you register for language courses.
For JPL/N courses, additional sections will be offered only when the initial sections is full. E.g. Section 2 will be offered when Section 1 is full.
JPL/JPN Japanese Practice courses are available only for P/F evaluation.
JPN courses are available only for non-Japanese degree-seeking students.
TLP courses may not be counted toward graduation. TLP courses are offered for students to pursue a Teacher's License in Japan. Most of the courses are instructed in Japanese.
