

テーマ	Understanding Each Other: How ALTs and JTEs Can Work Together to Achieve Common Goals				
対象	中・高・ALT	使用言語	英語	所要時間	70-90分程度
<p>概要</p> <p>JTEs and ALTs are an integral part of English education in Japan, and success in the classroom depends on their cooperation and mutual support. Many JTEs experience frustration or confusion when trying to incorporate ALTs in the classroom, and ALTs can sometimes feel the same way. This workshop is designed to help JTEs better understand their ALTs, and find ways to use them that both support the JTEs teaching objectives, and also utilize the unique benefits that ALTs can provide in the classroom.</p>
