

Akita International University (AIU)

Nomination Form for Extension of Enrollment Period

Instructions for Partner Universities:

Please note that due to possible exchange imbalances between AIU and partner schools and/or capacity limitations we may not be able to accept all applications for extension. Before submitting this Nomination Form, please check with us in advance about whether an extension application is feasible.

If your student wishes to extend their study abroad period at AIU, please confirm the items below with your student and indicate your agreement to the extended study period by completing the sections highlighted in yellow, then submit this form via email to international@gl.aiu.ac.jp (please CC your student so that they are aware of the submission). Forms must be received by May 30 or October 30 for the appropriate semester, as indicated in the timeline table at:

<https://web.aiu.ac.jp/en/short-term/semester-year-programs/extension-of-stay/>

Things to confirm with your student >(*Please check the box below after confirmation.)

- I have confirmed that the student has no problems with their academic performance or other aspects of their study abroad experience (If a problem has occurred, the student has overcome it and has a clear plan to ensure that it does not recur).
- I understand and approve of the student's motivation to extend their study abroad.
- I have confirmed that the student will be enrolled at our home institution during the extended study abroad duration.
- The student has verified with their primary care physician that extending their study abroad will not negatively impact their medical conditions and they are able to obtain all necessary medications for the extended study abroad duration (if applicable). If not applicable, please write "N/A" in the checkbox.
